Tyre: 185/65 R15
Rim: 5.5J x 15" ET40
Code: 6VA 071 495 8Z8

May be used with snow chains.

CO₂ je glavni gas sa efektom staklene bašte odgovoran za globalno zagrevanje. Emisije zagađujućih materija u vazduhu iz saobraćajna značajno doprinose pogoršanju stanja vazduha, naročito prekograničnim povišenim koncentracijama prizemnog ozona, estica PM10, PM2,5 i azot oksida.

Škoda Genuine Accessories are offered by Škoda as optional extras at additional charges. Colours, designs and materials may differ from those in the illustrations. Information such as specifications, appearance, performance, dimensions, weight, fuel consumption and operating costs relating to the illustrated vehicles and products is based on information available at the time of printing this document, and Škoda Auto reserves the right to change these data.

Correct rim and tyre size combinations are available in the Registration Certificate and/or from your dealer. When choosing snow-chains, make sure to follow the indication in your car's certificate of roadworthiness. Wheels depicted on the cars may not be part of the available range.

Please contact your Škoda Partner for information as to which products are available and suitable for your model, what restrictions apply, the installation times required and costs. Subject to change without notice. Vehicle parameters such as weight, rolling resistance and aerodynamics may vary depending on additional equipment and accessories (attachments, tyre sizes, etc.) and may, together with weather, traffic conditions and individual driving styles, affect fuel consumption, electricity consumption, CO₂ emissions and other performance parameters. Škoda Genuine Accessories are not used to determine consumption and emission levels, and can therefore only be fitted after the vehicle's first registration.
